

Hello,

I am Inhee Choi from SKKU Taekwondo Club.

I am writing to thank you for the scholarship.

I joined the Taekwondo club in 2016, when I entered SKKU.

Actually I learned Taekwondo since I was a very small child, 6-year-old. I got so many things like how to make friends, how to endure difficult situations, and how to be a nice person through Taekwondo. That is why I love Taekwondo and why I was really happy when I found this club in SKKU.

Most of memories of my school days were in my club.

I participated the competition every year, studied together at the library and also participated OBYB. Among them, the most memorable moment is that as a one of captains of club, I planned and carried out Taekwondo competition which is very important event for our club and participate all of the club members every year. Through that experience, I had infinite affection about the club and felt a strong sense of belonging.

So thank you very much about scholarship because it is very honored to me. This semester is last semester as a student for me. But because of the Covid-19, all of the lectures and club activities are replaced to online activity. It is really sad to me. With this scholarship, I will be a nice person and will give a help to my juniors later. Thank you so much. Take care of yourself.

Best,

Inhee Choi
