OUR MISSION

We exist to inspire, educate and develop leadership through traditional Taekwondo worldwide.

OUR VISION

World Class Taekwondo will grow Traditional Taekwondo by working together, focusing instruction on basic techniques, following our traditional policies, and developing leaders.

ABOUT WORLD CLASS TAEKWONDO

World Class Taekwondo is a 501(c)(3) non-profit Taekwondo organization founded in the state of Michigan in 2008 by Grand Master Tae Zee Park and Grand Master Richard Warren.

World Class Taekwondo offers programs that enhance the life-long learning and leadership development in traditional Taekwondo through tournaments, workshops and seminars.

Revenue from these programs plus the generosity of our event sponsors help fund our college scholarship program to support taekwondo students pursuing college degrees. World Class Taekwondo is proud to have awarded over 80 college scholarships since 2009 valued at over \$75k.

World Class Taekwondo is proudly led and staffed by volunteers who love Taekwondo and want to pay it forward to others. These volunteers include: three Grand Masters, two Junior Grand Masters, 10 Senior Masters, and 47 Master Instructors.

"Confidence is something I struggled with for a long time before I started Taekwondo. The longer I practiced, the more confident I felt (not to be confused with arrogance). For example, the first time I broke a board I was so scared I wasn't strong enough or I would hurt my hand. And then my hand went straight through the board. That moment showed me that I could do it, I could break boards; I can do what I set my mind to! I now walk with my head held high knowing I can do anything as long as I keep practicing." - Teenage Taekwondo Student
